## National Nurses Week is May 6-12, 2020

This year, more than ever, the nursing profession deserves special recognition, because of their commitment to providing care during the COVID-19 pandemic. Join the Moundridge Manor in giving your nurses a big 'Thank You' for all they do! And a very special 'Thank You' to our Director of Nursing, Karla Wedel, for all the hours she and others have put in to keep us all safe thus far. . .we pray for this blessing to continue!

## National Skilled Nursing Care Week is May 10-16, 2020

Beginning Sunday, May 10 through Saturday, May 16, 2020 we will celebrate National Skilled Nursing Care Week. This year's theme is 'Sharing our Wisdom'. You as residents offer a unique perspective based on your life experiences, reminding us to be present, celebrate the small moments, and foster connections. We have much to be learned from your insight, purpose, and wisdom. During this week we want to focus on all the wisdom you have to offer and share. Be prepared to share your wisdom!

Along with other activities for next week we have a very special event planned for you! We have received permission from the county Health Department to have a Drive-By Family Parade on Tuesday, May 12 at 6:30 p.m.!! You will be able to sit outside on the sidewalks around the building keeping 6-foot social distancing guidelines and watch your family drive-by! There will be extra staff to help or assist you to find a place to sit. We will be communicating with your family about the details of this event. In keeping with current state and county guidelines they will not be able to stop or get out of their vehicles – but we will be ready to give them a big wave and show our love! I'm sure they will be showing their delight at seeing you with a wave, tooting horns and other signs of support and love!!
