New Year Prayer

Thank you Lord for giving me
The brand New Year ahead.
Help me live the way I should
As each new day I tread.
Give me gentle wisdom
That I might help a friend.
Give me strength and courage
So a shoulder I might lend.
The year ahead is empty,
Help me fill it with good things
Each new day filled with joy
And happiness it brings.
Amen.

ATTENTION – Residents & Staff:

If you would like to write down your memories of the 2020 pandemic to be shared at some future time please do so. Turn these in to the Activity Department. Share your feelings, how you coped, how you were blessed, etc. This is a once in a lifetime event and will be interesting to preserve for future generations.

Christmas 2020 Memories

Albert & Goldie Koehn – “Christmas was good! We received over 70 cards – I don’t think we’ve ever had that many cards at Christmas before. We had them taped together on the wall. We had quite the surprises – one afternoon there were three little children blowing kisses through the window at us! They were our great-grandchildren and their parents, Andrew & Lorretta Goosen, from Whitemouth, Manitoba. We had a nice long talk through the window over the phone. A special gift we received from them was a talking book ‘Under the Same Moon’ that recorded Lorretta’s voice reading the book. Albert & Goldie enjoyed checking their stockings by their door for little gifts from their secret pals. On Christmas Eve they were told they had visitors in the Fireside Room – outside the window were some Christmas carolers from Suncrest (the Monroe Becker family including their daughter Joelle & her new husband)! A little later we were told we had some more visitors – so we went back to the Fireside Room. This time it was the Sheldon Troyer family and they sang Christmas carols, too! Another special gift was a business calendar from Shelby Unruh – the reason being that he’s a house mover and that’s what I did for 40 years in California. On Christmas Day we had little twinkling tea lights on our dinner trays. It was a good Christmas – I wish I could remember everything we received but I didn’t write it down.”

Leanne Penner – “This Christmas was different but I was very thankful that I could video call them while they were at the dinner table. After dinner the great nieces & nephews did a motion song for me – it was very cute! I had Jacob’s name – he is seven so my niece got a baseball glove for him and I watched him open it and all the excitement of the children opening their gifts. Each family had a song so I could listen to that. The gifts I got from my secret pal from the staff – it was overwhelming. The 125 Christmas cards I got was so remarkable that it brings tears to my eyes. I am so thankful for the love that was shown to me with all the cards and for gifts from my family including a desk lamp that I can use where I want it. The staff and everyone have made it a wonderful Christmas!”

What the new year brings to you will depend a great deal on what you bring to the new year.
