Resident Council Report

There were 13 residents present at the Resident Council on Thursday, April 8, 2021. There was a discussion on the concern that residents who are eating on 2nd setting at breakfast are not able to hear the devotions very well as they are still in the dining rooms. There was support to push up the devotion time to a little later time, if possible, so 2nd setting residents would be back in their room or could attend 'in-person' devotions in the Chapel. This concern was relayed to the Administrator for his consideration. Further details will be released, as needed.

26th in a series of "Getting To Know You" about the Manor residents.

Resident Story – Gladys Wiens

I was born on May 28, 1929 to Frank W. and Mary Magdelene (Becker) Holdeman at home (which at that time was Grandpa Holdeman's house) in McPherson County. Later we moved to Grandpa Becker's house which was near Hesston, Kansas. I had three sisters and one brother. Deloris was the oldest, then me, next was Annabel, Elaine and last came a boy, Ordo. We grew up on a farm and I learned to milk our cow named 'Babe' by hand. Also, we children had to pitch silage down and feed the chickens. Our house was 100 years old so we had no running water and had to use an outhouse. My Dad farmed with horses. I went to the Dawson #16 school which was a ¾ mile walk in heat, rain or snow. There were 37 students and 1 teacher that taught us all and all the subjects. I enjoyed jumping rope with my sister Annabel – we would tie one end of the rope to a tree and take turns turning the rope for each other. Helping Mom in the garden was fun. To mow the yard we used a scythe which we called the idiot stick. At age fourteen, I made my first Sunday dress. At age 16, I remember we got electricity. We children had to work at home until we were 18. Then I helped clean Harry Wenger's house they were building. Also, I cleaned at Earl Wiggers. I then soon got my CNA license and worked at Mercy Hospital. I later went to LPN schooling in Kansas City with Anna Koehn, Leona Ensz and Marie Ensz. It took us a year. Later I went from Mercy Hospital to Moundridge Manor to work nights as a charge nurse. When I retired from nursing I cooked at the Moundridge Senior Center for six years. Oh, how I enjoyed that and wished many times I was able to go back. But I was happy to stay home at my little apartment and sew, quilt, read and take walks. When I was 32 years old, I married Henry Wiens and we had four children. Dale lives in Atwood, Illinois; Cynthia lives in Louisville, Georgia; David lives in Hesston, Kansas; and Warren lives in Newton, Kansas. Henry and I have 13 grandchildren and 15 great-grandchildren. Henry passed away on November 10, 2009 leaving us all to grieve and miss him. He was a great man. He worked at the Co-op in Hesston for many years and left us all with many memories. I have enjoyed quilting and giving quilts to my children and grandchildren. I was one who couldn't sit still for long. . . I enjoyed taking walks. Sewing for others was another rewarding activity, using my Singer sewing machine. One of my favorite foods is Pluma Moos. I moved here to the Manor to live on October 5, 2020.

HAPPINESS IS WHEN WHAT YOU THINK, WHAT YOU SAY, AND WHAT YOU DO ARE IN HARMONY.
