## Activity Room REMODEL

The Manor Board has given the go-ahead to move forward with some remodeling in the Activity Room. This will result in not being able to use the Activity Room for at least a month starting Thursday, May 6, 2021. Planned updates are replacing the popcorn ceiling, updated light fixtures, new window treatments, replacing the divider curtain, new counter top and backsplash in the kitchen area, storage cupboard, new carpet and paint. Also, the Activity Office will receive some updating. During this time group exercises and Bingo will be in the Sunshine Diner. However, weather permitting, group exercises and some other activities may be out on the Front Patio. Also, when using the Fireside Room some activities will be by invitation due to limited space. Several activities will return to Intercom only activities – morning devotions and Sunday School reading. So, we will gladly find other spaces and ways to continue exercises and other activities in exchange for a newly renovated Activity Room!!

## 'BORED' BOARD

Do you feel bored some days and looking for a little something to do? The Activity Department has created a 'Bored' Board outside the Activity Room in the hallway connecting to the West Unit. There you will find folders labeled with different types of paper puzzles – word or number search, dot-to-dot, mazes, coloring pages, etc. Check it out if you are down that way and help yourself to what interests you!

## Through the Seasons®

National Skilled Nursing Care Week • May 9-15, 2021

[ahcancal.org/NSNCW](http://ahcancal.org/NSNCW) | #NSNCW

Established by the American Health Care Association (AHCA) in 1967, NSNCW, formerly known as National Nursing Home Week, recognizes the essential role of skilled nursing care centers in caring for America's frail, elderly, and disabled. The COVID-19 virus made this past year unimaginable for skilled nursing care centers. Through it all, staff heroically protected and cared for residents around the clock every day as challenges such as social distancing rules prevented residents from in-person visits with loved ones. In honor of the collective strength and dedication of all the essential caregivers and residents in nursing centers across the country, this years National Skilled Nursing Care Week (NSNCW) is *Together Through the Seasons*.

Due to scheduling conflicts the decision was made to celebrate NSNCW the last week of May. Between May 5 – 21 all residents and staff are invited to take a 'flower' and say what has enabled you to make it through the 'season' of last year. . .name a staff member, fellow employee, family member, activities, etc. that have been special to you. Place your 'flower' around the NSNCW poster on your hall. There are special activities planned for each day of the week beginning Monday, May 24 – Friday, May 28, 2021. Here are the activities being planned:

Monday, May 24: SPRING DAYS – *Look for 'spring' things along the way!*

- 10:00 Spring Stroll – West Unit
- 10:30 Spring Stroll – Main Unit

Tuesday, May 25: SUMMER DAYS – *Wear your favorite sunglasses & hat!*
