## Manor Volunteer Program to Resume

Here is some exciting news!! Another milestone in our journey back to 'normal' has arrived – the Manor Volunteer Program is set to resume on July 19, 2021. Letters are being sent to all former volunteers giving them the information they need and the opportunity to once again come and be a part of our Moundridge Manor community. Whether you choose to be a host/hostess volunteer in our dining rooms or an activity volunteer or Junior Volunteer with the Activity Department – we are excited to welcome you back! Not only are we looking forward to seeing familiar faces – we are looking forward to meeting new volunteers! Volunteer programs do not remain static but are always evolving as some people leave and others arrive. You may ask “Why should I volunteer?” The first answer is because of our RESIDENTS and the second answer is for YOU. Our residents love to see fresh faces and meet new people – it is rewarding for them to learn about you and you about them. The reason volunteering is a benefit is because doing good for others provides a sense of accomplishment and a sense of purpose. It can take your mind off your own worries and add zest to your life. You are being socially and physically active. The host/hostess program involves serving drinks, taking meal orders, delivering plates and clearing tables – and you get a free meal when you are finished! There are numerous opportunities to help residents with activities – whether it is reading to those who are vision impaired, visiting with residents or taking them outside for a wheelchair ride, playing games, or helping with group activities. The Junior Volunteer program is for young girls and/or boys to help with assigned tasks such as delivering mail, passing fresh water & ice, setting up for Bingo, etc. Please contact the Moundridge Manor at (620) 345-6364 to inquire about these opportunities. There will be several requirements for volunteers at this time – we are asking that you be fully vaccinated against COVID-19, to screen in each time you come and wear a mask while in the building. Thanks so much for giving this opportunity your consideration! - Moundridge Manor
