Manor Moments

Here is a little glimpse into several days of everyday life here at the Manor – as observed by Maurita Johnson, Activity Assistant & Housekeeper:

Thursday, 7/8/2021:

5:30 A.M. The Manor is in the process of waking up. Several night nurses scurry around looking rather frazzled, trying to finish their work before they head home and to bed.

5:45 A.M. Meanwhile day shift nurses arrive; barely awake, but soon talking and laughing comes from the West Unit nurse's station.

6:00 A.M. Merlin is waiting in the hall for his whirlpool. He says "You gotta have one once in a while."

6:15 A.M. Deb has arrived and is 'flying' around. She says she's leaving on vacation today. Could it be she's trying to rub it in for the rest of us that are here working???

9:00 A.M. Denise H. asks if the hallway by the Ron and Betty doors smells funny...maybe like a dead animal. Several people start sniffing around. Denise W. comes out of her office and says she thinks the smell is coming from the Activity Room. So everyone peers into the Activity Office...Carol says, "Yes, I think it's the diffuser in here that is causing the problem and I will change the oil to a different scent."

Monday, 7/12/2021:

9:13 A.M. It's time for exercises, today is a large group. Gene U. and Connie S. are scurrying around finding places for everyone to sit, handing out wands, and hand sanitizer.

10:30 A.M. Ray H. is sitting in the hallway surrounded by 3 CNA's...when told he was out-numbered he says, "It's a nice party anyway."

Wednesday, 7/14/2021:

8:45 A.M. Russell gets a group around to sing after devotions. While they're singing, I am trimming Rosa's fingernails...I ask if she enjoys the singing and she says yes, she does. We decided after the usual 2 songs that they could sing another one. Just like that we hear the mic click on again and they actually sing a third song!

9:10 A.M. As Ruth comes around the corner with her med cart Kevin noticed that the drawers were coming open and told her, "Ruth, you're losing your drawers." To which she responded, "Kevin! That is inappropriate for the administrator to say!"

11:30 A.M. There is a loud bang from the kitchen (like maybe someone dropped a stack of cookie sheets). Ray says someone's diamond fell out of her ring.

You can't buy happiness but you can buy root beer floats and that's kind of the same thing.
