UPDATE ON DINING and GROUP ACTIVITIES & EXERCISES

There are no positive Covid cases among residents or employees at this time for which we are very thankful! The decision was made by the Covid team to continue with social-distancing for dining, group activities and exercises due to McPherson County being in the 'red zone' for Covid community transmission rates. This arrangement will be re-assessed if the county moves out of the 'red' zone. This means that the present arrangement for dining and all activities and exercises will continue. Bingo will continue for the Main Unit (Friendship, Rosewood & Meadow) on Mondays and for the West Unit (Apple, Bluestem & Clover) on Thursdays. Intercom Bingo will be provided for those not playing in the Activity Room. Any men's or ladies' coffee groups on the activity calendar will be replaced with another activity.

NATIONAL HEALTHCARE FOOD SERVICE WEEK

October 3 – 9, 2021

National Healthcare Food Service Week is this week (October 3-9) and we are celebrating a hard-working, marvelous kitchen crew! Each worker gets to choose either an insulated cooler bag or a tote bag for themselves and also a special pin to wear. They will also get a small item of appreciation each day...for example - yesterday (Monday) it was a package of 2 Reese's cups with a tag that said "Have I told you "Reese"-ently you are so wonderful to work with?!" I also like to involve employees from other departments and the residents, so I have 3 "guessing" games for them to participate in (along with the kitchen workers).

1. Name That Recipe: I found recipes with odd names and you have to match the name to the recipe.
2. Dream Vacations: Each kitchen employee put down a vacation destination they dreamed of going to someday and you have to match who wants to go where.
3. A jar filled with red hots: We'll see who comes closest to guessing how many are in the jar.

There will be a small prize for the winners of these games. All of this is only a small token of appreciation for our kitchen crew who work so hard and faithfully all year!!!

I REALLY APPRECIATE EACH AND EVERYONE OF THEM. . .

Sharon Schmidt, Dietary Manager
and so do the rest of us. . .thank you, thank you!!!

McPherson County continues to see an alarming trend in new cases. Hospitalization frequency has also increased in comparison to previous months. It recommends all individuals 2 years old and above mask in indoor settings when 6-foot distance cannot be maintained while community transmission is high. Get vaccinated if you're eligible, stay home if you are sick, and wash your hands.
