Resident Story – Gilbert & Dolores Koehn

Gilbert: I was born to Herman and Luvina (Smith) Koehn at Halstead, Kansas on November 5, 1942. I was the 2nd son in a family of 6 children. While still very young we moved to the Burns, Kansas area. My father was a carpenter besides working on the farm, so we children grew up doing chores, which I enjoyed. Getting to drive the tractor and doing farm work was a challenge I thoroughly enjoyed. I started school at age 5 attending the Burns Grade School thru the 8th grade. I enjoyed school and spelling was my favorite subject. My mother told us boys, while still at a young age, we should have it in our prayers that God would guide us and show us the one whom He would want us to marry when that time came. So, I remember I often praying that God would help me in this important step of my life. God answered my prayer in a special way by giving me a vision of this certain young lady. I didn't know anyone like whom I saw. One day Dad asked me if there was anyone I thought of marrying. I surprised myself by saying "I think maybe Jona Dyck at Hillsboro has a daughter for me" and I didn't even know if they had any daughters. Soon after this we went to Hillsboro on a Sunday evening and at that meeting Jona Dyck and son Doug and daughter Dolores got up and sang a song in front, AND THERE SHE WAS! Dolores was the one I had seen in my vision.

Dolores: I was born to Jona and Doris (Johnson) Dyck at Hillsboro, Kansas on March 18, 1945. I was the 3rd child in our family of 9 children. We children had many happy hours playing together. I attended the Ebenfeld School where my favorite subject was reading. We walked 2 ½ miles to school where we had around 20 students in one classroom with one teacher for all eight grades. I was 18 years old when I joined hands in marriage with Gilbert Koehn from Burns, KS.

Gilbert and Dolores: Our wedding day was on April 26, 1963. We lived first at Burns for 3½ years, then moved to Hillsboro for a half year. Next to Wisconsin for a year and then back to Hillsboro for 5-6 years. Our next move was to Monterrey, TN. We were the first couple to move there and we settled in for a couple of years. Then we moved again, first to Macon, MS for a year and then to Okolona, MS where church was held in an old house. We next felt to move to Ohio where we lived for about six years. Then we moved to Georgia, and settled down for ten years and raised our family. We moved back to Kansas and lived in Moundridge for six years. After this we went back to Georgia for two years. In 2001 we moved back to Moundridge where we settled down. Through all our moving we enjoyed an enriching life of learning to know many friends and new places. Once someone said, "Gilbert's go visiting with their furniture." © We raised six children: Cindy & Darrel Becker, Halstead, KS; Mark & Cynthia, Louisville, GA; Dennis & Whitney, Halstead, KS; Steve & Vianne, Moundridge, KS; Elsie & Randy Unruh, Lobelville, TN; and Ed & Melissa, Moundridge, KS. We have 24 grandchildren.

Dolores: I enjoyed being a homemaker-doing lots of canning and making lots of homemade bread and buns for lunches; sewing on my Bernina sewing machine; going to garage sales, browsing through thrift stores and going fabric shopping. All so much fun! I also enjoyed crocheting rugs and of course, reading. When I started working out my first job was as a CNA at Mercy Hospital. Then I worked here at the Manor in laundry for 3 years, then a CNA and next as a CMA for 5 years here which I really enjoyed very much!

Gilbert: I was a carpenter by trade but also worked as a dairyman and farmer at times. Then I had the job of maintenance man at Mercy Hospital. I had a fun hobby of raising honey bees besides the many special times of going out for coffee with friends and having such enjoyable and inspiring visits together. After we retired we lived in the North Ridge Apartments for 3 years; then we moved here to the Manor on August 12, 2021 where we enjoy being together, and sit and read, or visit on our phones with loved ones and take in the offered activities, and also have good visits with our friends here .
